MY ROUTE TO SCHOOL *(Use a local map to follow these instructions).*

Mark where you live with a **green** letter "H"

Mark where your school is with an **orange** letter "S"

Draw the route of your morning journey with a **blue** line.

Draw the route of your afternoon journey in **brown** *(if different)*.

If you travel by bus, use a dotted line along the route where you walk to or from the bus stop and a solid line along the bus route.

Mark the map with a red "X" at places where you think your route is a danger to you.

Where is the most dangerous place for you? (location) _____

Describe the danger at that place. _____

On the reverse of this sheet describe how you think the danger could be reduced, lessened or avoided at this place.

Draw a picture or plan showing what it looks like now and another picture showing how you would like it to look.
